 She puts on her make-up,    and brushes her long blond hair.

**C**                                **D**        **G**    **D/F#**     **Em**  
 And then she asks me "Do I look all right?"  
    **C**                                **D**                                **G**  
 And I say "Yes, you look wonderful tonight!"

 We'd go to a party,                and everyone turns to see

 This beautiful lady,    that's walking around with me.

 And then she asks me: "Do you feel all right?"

 And I say: "Yes, I feel wonderful tonight!"

 I feel wonderful because I see the love light    in your    eyes,

**C**                                **D**                                **C**                                **D**  
 And the wonder of it all is that you just don't realize,

 How much I love you!

**G** **D/F#** **C** **D**

 So I give her the carkeys, and she helps me to bed.

**C**            **D**            **G** **D/F#**    **Em**  
And then I tell her, as I turn off the light:
