

I'll See You In My Dreams

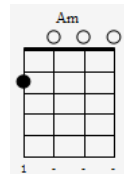

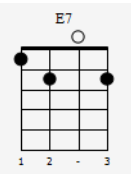

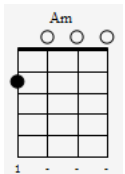

Lonely days are long

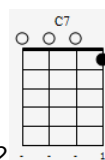

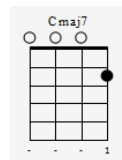

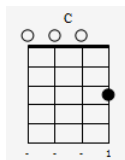

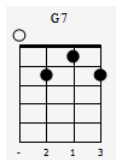

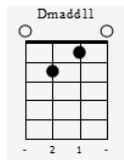

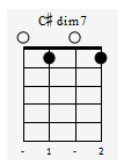

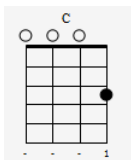

Twilight sings this song, of the happiness that used to

Be

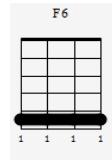

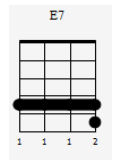

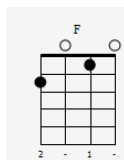

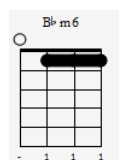

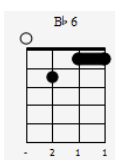

Soon my eyes will close Soon I'll find repose

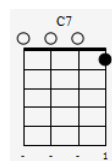

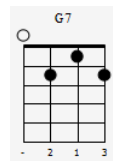

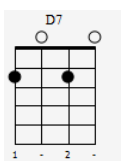

And in my dreams you're always near to me

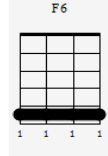

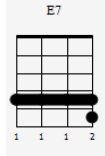

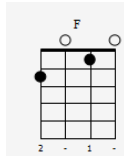

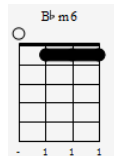

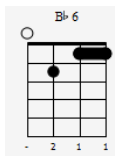

Chorus

I'll see you in my dreams, I'll hold you in my dreams

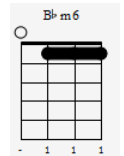

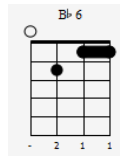

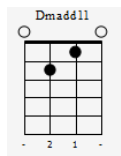

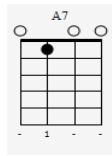

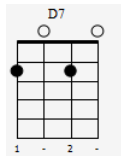

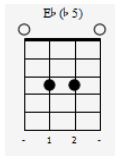

Someone took you right out of my arms, Still I feel the thrill of your charms

Lips that once were mine,

tender

eyes that shine

x1

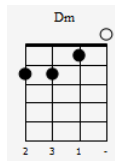

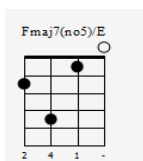

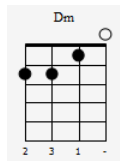

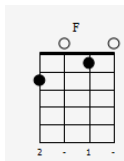

x1

They will light my way

tonight

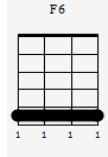

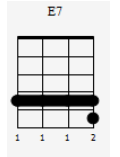

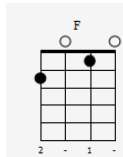

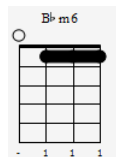

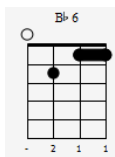

I'll see you

in my

dreams

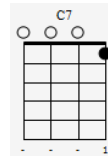

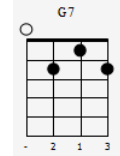

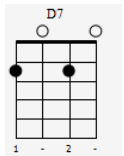

(Hum the tune)

I'll see you in my dreams, I'll hold you

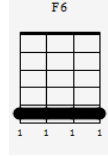

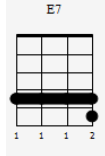

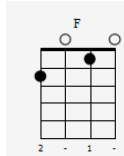

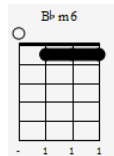

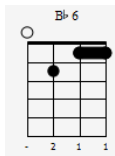

in my

dreams

Someone took you right out of my arms, Still I feel the thrill of your charms

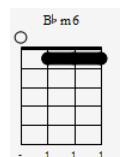

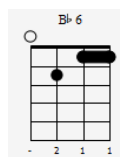

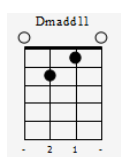

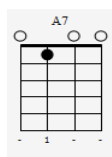

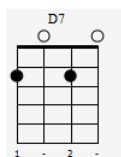

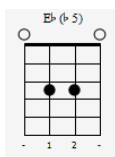

(Sing again)

Lips that once were mine,

tender

eyes that shine

x1

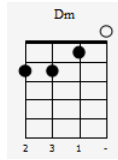

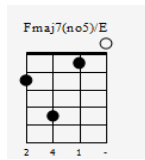

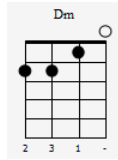

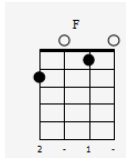

x1

They will light my way

tonight

I'll see you

in my

dreams
