

Always Look On The Bright Side Of Life

Some things in life are bad they can really make you mad

Other things just make you swear and curse

When you're chewin' on life's gristle, don't grumble give a whistle

And this'll help things turn out for the best and

Chorus

And always look on the bright side of life – (whistle)

Always look on the light side of life

Verse 2

If life seems jolly rotten there's something you've forgotten

And that's to laugh and smile and dance and sing

When you're feeling in the dumps don't be silly chumps

Just purse your lips and whistle, that's the thing and

Chorus

And always look on the bright side of life – (whistle)

Always look on the light side of life

For life is quite absurd and death's the final word

You must always face the curtain with a bow

Forget about your sin, give the audience a grin

Enjoy it's your last chance anyhow, so

Chorus

So always look on the bright side of death

Just before you draw your terminal breath

Life's a piece of spit when you look at it

Life's a laugh and death's a joke it's true

You'll see it's all a show keep 'em laughing as you go

Just remember that the last laugh is on you and

And always look on the bright side of life – (whistle)

Always look on the light side of life

always look on the bright side of life

Always look on the right side of life

Always look on the bright side of life

(slowing)
