3rd Verse :

Her mind is Tiffany twisted, she got the Mercedes Benz
She got a lot of pretty, pretty boys, that she calls friends
How they dance in the courtyard, sweet summer sweat,
Some dance to remember, some dance to forget

4th Verse :

So I called up the captain, "Please bring me my wine", He said
"We haven't had that spirit here since nineteen sixty-nine"
And still those voices are calling from far away
Wake you up in the middle of the night, just to hear them say :

Chorus :

Welcome to the Hotel California
Such a lovely place (such a lovely place), such a lovely face
They living it up at the Hotel California
What a nice surprise (what a nice surprise), bring your alibis"

5th Verse :

Mirrors on the ceiling, the pink champagne on ice, and she said
"We are all just prisoners here, of our own device"
And in the master's chambers, they gathered for the feast
They stab it with their steely knives but they just can't kill the beast

6th verse :

Last thing I remember, I was running for the door
I had to find the passage back to the place I was before
"Relax," said the night man, "We are programmed to receive
You can check out any time you like, but you can never leave"
