Intro

I had to escape, the city was sticky and cruel

Maybe I should have called you first, but I was dying to get to you

I was dreaming while I drove, the long straight road ahead uh-huh yeah

Could taste your sweet kisses your arms open wide

This fever for you was just burning me up in-side

I drove all ni---ght to get to you, Is that alright,

I drove all n---- ight crept in your room,

woke you from your sleep to make love to you Is that all right I drove all

night

What in this world keeps us from falling apart

No matter where I go, I hear the beating of our one heart

I think about you when the night is cold and

dark uh-huh yeah

No one can move me the way that you do,
