

Chasing Cars

C Tuning
 ①=A ③=C
 ②=E ④=G

Riff

We do it all, every- thing, on our own
 We don't need, any thing, or anyone.

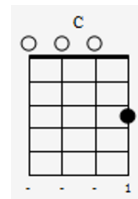

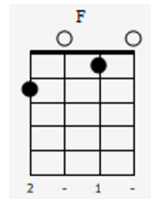

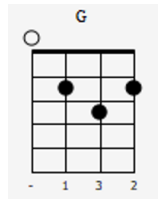

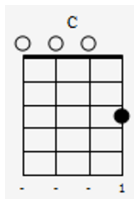

If I lay here If I just lay here Would you lay with me and just forget the world?

Riff

I don't quite know How to say How I feel

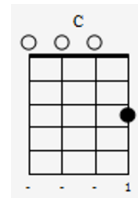

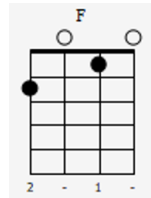

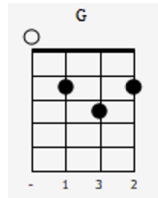

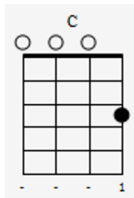

Those three words Are said too much They're not enough

If I lay here If I just lay here Would you lay with me and just forget the world?

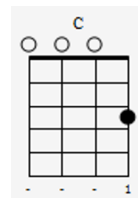

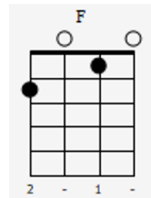

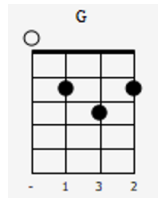

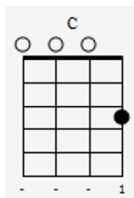

Forget what we're told, before we get too old, show me a garden that's bursting into life

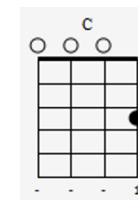

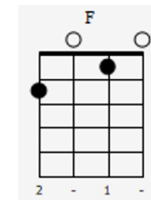

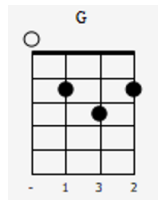

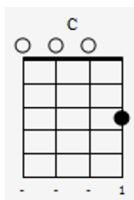

Let's waste time, chasing cars around our heads

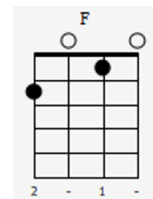

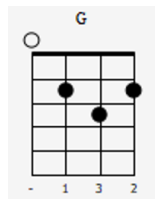

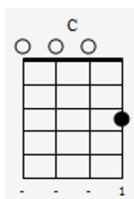

If I lay here If I just lay here Would you lay with me and just forget the world?

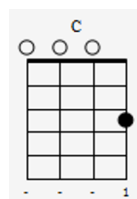

Forget what we're told, before we get too old, show me a garden that's bursting into life

All that I am, All that I ever was, is here in your perfect eyes, they're all I can see

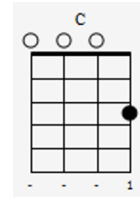

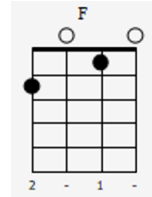

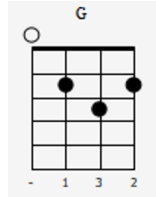

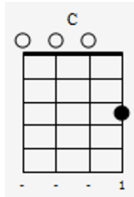

I don't know where, confused about how as well Just know that these things will

never change for us at all

riff

If I lay here If I just lay here Would you lay with me and just forget the world?
