

# Never Gonna Give You Up

 x2	 x2	 x2	 x2
 x2	 x2	 x1	 x1 (Twice)

 We're no strangers to love,	 you know the rules and so do I
---------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------

 A full commitment's what I'm thinking of,	 you wouldn't get this from any other guy
------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------

 I just want to	 tell you how I'm feeling, gotta make you understand
----------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------

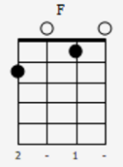

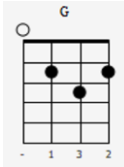

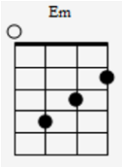

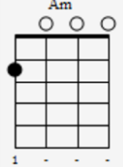

## Chorus

 x2	 x2	 x2	 x2
----------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------

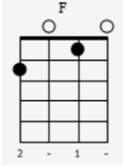

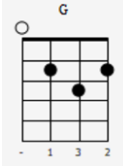

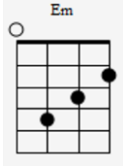

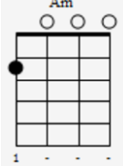

Never gonna give you up, never gonna let you down

 x2	 x2	 x1	 x1
----------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------

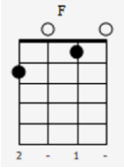

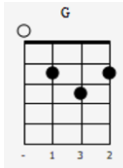

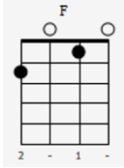

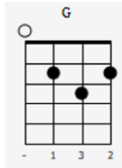

Never gonna run around and des-ert you

Never gonna make you cry, never gonna say goodbye

 x2    
  x2

Never gonna tell a lie and hurt you

We've known each other for so long, your heart's been aching but you're too shy to say it

    
    
    

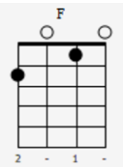

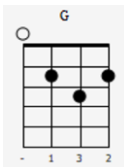

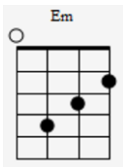

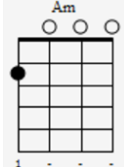

Inside we both know what's been going on, We know the game and we're gonna play it

    
    
    

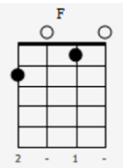

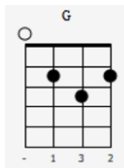

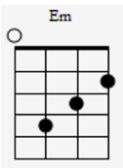

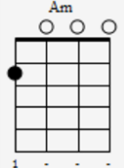

And if you ask me how I'm feeling, don't tell me you're too blind to see
