

A Million Dreams

I close my eyes and I can see, the world that's waiting up for me

That I call my own

Through the dark, through the door, through where no one's been before

But it feels like home

They can say, they can say it all sounds crazy

They can say, they can say I've lost my mind

I don't care, I don't care, so call me crazy

Verse 2

There's a house we can build, every room inside is filled

With things from far away

The special things I compile Each one there to make you smile

On a rainy day

They can say, they can say it all sounds crazy

They can say, they can say we've lost our minds

Dadd11

Em

C

I don't care, I don't care if they call us crazy

Dadd11

Run away to a world that we design

Chorus

G/D

A million dreams for the world we're gonna make

However big, however small Let me be part of it all

Share your dreams with me

You may be right, you may be wrong, but say that you'll bring me

along, to the world you see, to the world I close my eyes to see

I close my eyes to see

Chorus

'Cause every night I lie in bed The brightest colors fill my head

A million dreams are keeping me awake

I think of what the world could be, a vision of the one I see

A million dreams is all it's gonna take

A million dreams for the world we're gonna make

For the world we're gonna make
