

"Can't Take My Eyes Off You"

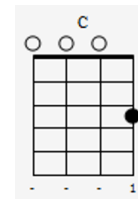

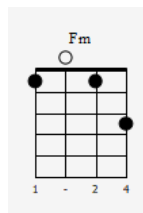

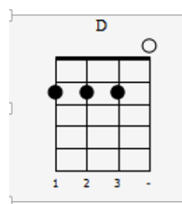

You're just too good to be true, Can't take my eyes off you

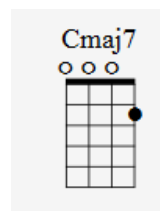

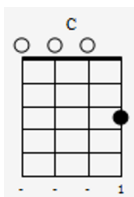

You'd be like heaven to touch, I wanna hold you so much

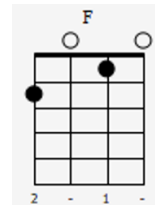

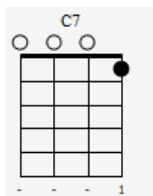

At long last love has arrived, and I thank God I'm alive

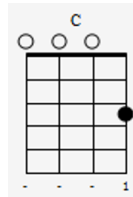

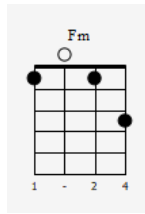

You're just too good to be true, x4 / c bass x4/ c can't take my eyes off you

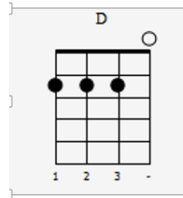

Pardon the way that I stare, there's nothing else to compare

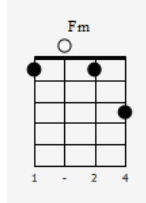

The sight of you leaves me weak, there are no words left to speak

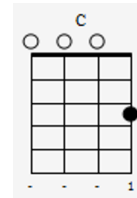

But if you feel like I feel, please let me know that it's real

x4 / c bass

You're just too good to be true,

can't take my eyes off you

I love you, baby, and if it's quite alright,

I need you, baby, to warm a lonely night,

I love you, baby,

trust in me when I say

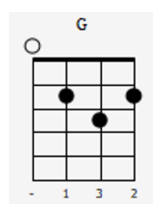

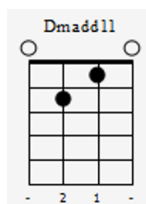

Oh pre-tty

Baby, don't bring me down I pray

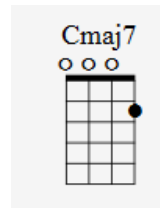

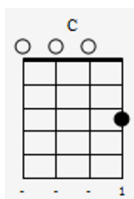

Oh pretty baby, now that I found you, stay

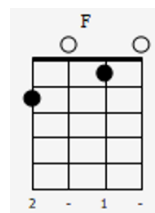

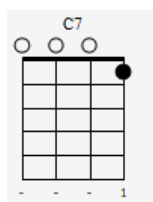

And let me love you, baby, let me love you
