

# Love Really Hurts Without You

You run around town like a fool and you think that it's groovy

You're givin' it to some other guy who gives you the eye

You don't give nothin' to me,

You painted a smile and you dress all the while to excite me

But don't you know you're turning me on, I know that it's wrong,

but I can't stop this pain inside me

**Chorus**

Baby, love really hurts without you,

Love really hurts without you, And it's breaking my heart,

But what can I do,

Baby, Love really hurts without you,

Love really hurts through and through

And it's breaking my heart, But what can I do without you

### Verse 2

You walk like a dream and you make like you're queen of the action

You're using ev'ry trick in the book the way that you look

You're really something to see,

You cheat and you lie to impress any guy that you fancy,

But don't you know I'm out of my mind, so give me a sign

And help to ease the pain inside me.

### Chorus

Baby, love really hurts without you,

Love really hurts without you, And it's breaking my heart,

But what can I do,

Baby, Love really hurts without you,

Love really hurts through and through

And it's breaking my heart, But what can I do without you

x8

Baby, love really hurts without you,

Love really hurts without you,

And it's breaking my heart, But what can I do,

Baby, Love really hurts without you,

Love really hurts through and through

And it's breaking my heart But what can I do without you **(twice)**
