D

Poor old granddad
I thought he was a bitter man
They'll trap you, then they use you
For love is blind and you're far too kind

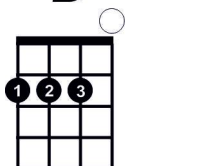

Em7

I laughed at all his words
He spoke of woman's ways
Before you even know
Don't ever let it show

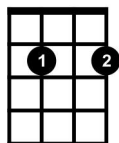

Chorus

D

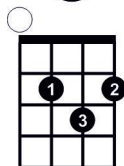

I wish that I knew what I know now
I wish that I knew what I know now

Em7

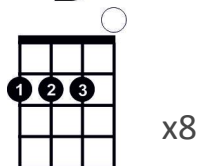

G

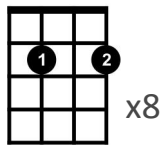

When I was younger.
When I was stronger.

D

The can can's such a pretty show
But backstage, back on earth again
They come on strong and it ain't too long
But love is blind and you soon will find

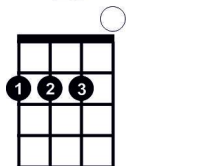

Em7

They'll steal your heart away
The dressing rooms are gray
Before they make you feel a man
You're just a boy again

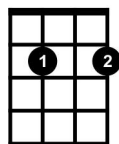

Chorus

I wish that I knew what I know now
I wish that I knew what I know now

Em7

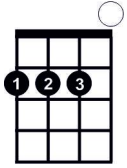

G

When I was younger.
When I was stronger.
