

Hamilton - You'll Be Back

Key of G

Intro

Verse

You say

The price of my love's not a price that you're willing to pay

You cry

In your tea which you hurl in the sea when you see me go by

Why so

sad?

Remember we made an arrangement when you went away

Now you're making me mad

Remember despite our estrangement, I'm your man

Chorus

You'll be back, soon you'll see

You'll remember you belong to me

You'll be back, time will tell

You'll remember that I served you well

Oceans rise, empires fall

We have seen each other through it all

And when push comes to shove

I will send a fully armed battalion

To remind you of my love!

'Cause you're my favorite subject!

My sweet, submissive subject!

My loyal, royal subject!
