Every night I grab some money and I go down to the bar

I got my buddies and a beer I got a dream I need a car

Ever since I can remember, you been hanging around this joint

You been trying to look away, but now you finally got the point

**Middle Eight:**

Oooo You got the kind of legs,that do more than walk

I don't have to listen,to your whimpering talk

Listen you got the kind of eyes,that do more than see

You gotta lot of nerve coming on to me

You got the kind of lips that do more than drink

You got the kind of mind that does less than think

But since I'm feeling kinda lonely and my defenses are low

Why don't we give it shot and get ready to go

I'm looking for anonymous and fleeting satisfaction

And I want to tell my Daddy that I'll be missing in action

**Verse 3:**

Ever since I can remember, I've been hanging around this joint

My Daddy never noticed it, now he finally got the point

You got me beggin' on my knees, C'Mon and throw this dog a bone

A man he doesn't live by, Rock 'n' Roll and brew alone

**Chorus 3:**

Rock 'n' Roll and brew, Rock 'n' Roll and brew

I know that you and I, we got better things to do

Rock 'n' Roll and brew, Rock 'n' Roll and brew

They don't mean a thing, when I compare 'em next to you

I don't know who you are, or what you do

Or where you go, when you're not around

I don't know anything about you baby

But you're everything I'm dreaming of

I don't know who you are

But you're a real dead ringer for love
