Maybe so metimes, we've got it wrong, but it's alright

Cmaj7

Cmmaj7

The more things seem to change, the more they stay the same

Oh, don't you hesitate

Chorus:

Girl, put your records on, tell me your favourite song

You go ahead, let your hair down

Sapphire and faded jeans, I hope you get your dreams,

Just go ahead, let your hair down

You're gonna find yourself somewhere, somehow

Verse 2

Blue as the sky, sunburnt and lonely,

Sipping tea in a bar by the roadside,

(just relax, just relax)

Don't you let those other boys fool you,

Got to love that afro hair do

Maybe so sometimes, we feel afraid, but it's alright

The more you stay the same, the more they seem to change

Don't you think it's strange?

Chorus

Girl, put your records on, tell me your favourite song

You go ahead, let your hair down

Sapphire and faded jeans, I hope you get your dreams,

Just go ahead, let your hair down

You're gonna find yourself somewhere, somehow

Bridge:

'Twas more than I could take, pity for pity's sake,

Some nights kept me awake, I thought that I was stronger

When you gonna realise, that you don't even have to try any longer?

Do what you want to

Chorus

Girl, put your records on, tell me your favourite song
