

# Someone You Loved – Lewis Capaldi

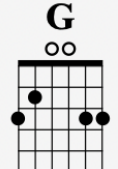

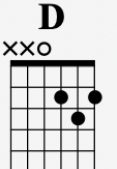

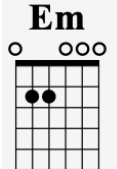

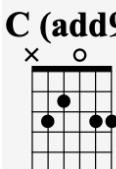

## Intro

**G**  x4    **D**  x4    **Em**  x4    **C (add9)**  x4

## [Verse 1]

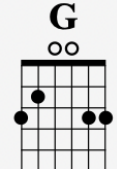

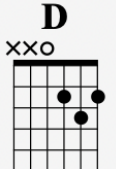

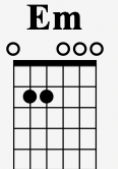

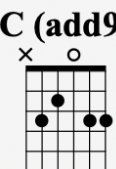

**G**  x4    **D**  x4    **Em**  x4    **C (add9)**  x4

I'm going under and this time I fear there's no one to save me

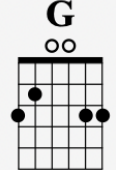

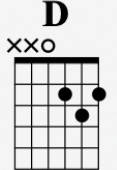

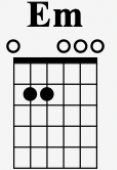

**G**  x4    **D**  x4    **Em**  x4    **C (add9)**  x4

This all or nothing really got a way of driving me crazy

## Pre Chorus

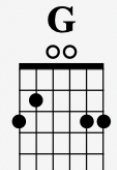

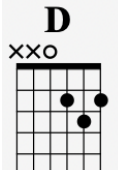

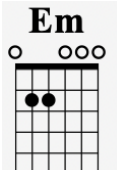

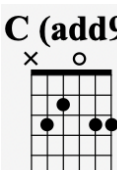

**G**  x4    **D**  x4    **Em**  x4    **C (add9)**  x4

I need somebody to heal, somebody to know, somebody to have, somebody to hold

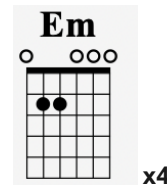

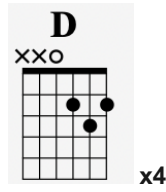

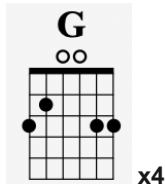

**G**  x4    **D**  x4    **Em**  x4    **C (add9)**  x4

It's easy to say, but it's never the same, I guess I kinda liked the way you numbed all the pain.

## [Chorus]

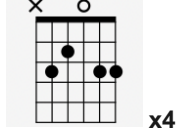

**G**  x4    **D**  x4    **Em**  x4    **C (add9)**  x4

Now the day bleeds into nightfall, and you're not here to get me through it all

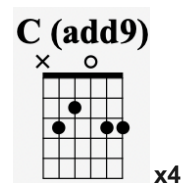

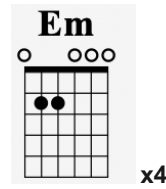

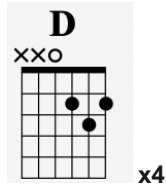

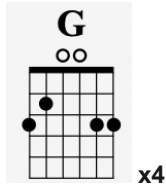

I let my guard down, and then you pulled the rug I was getting kinda used to being someone

**C (add9)**

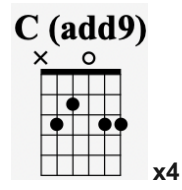

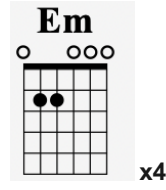

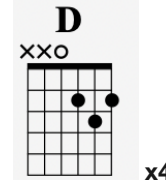

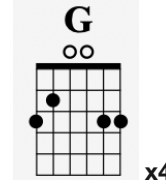

you loved

**Verse 2**

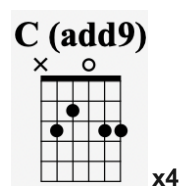

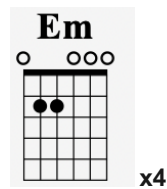

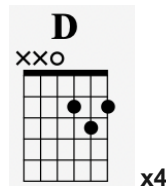

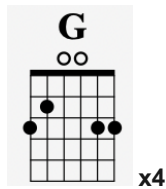

I'm going under and this time I fear there's no one to turn to

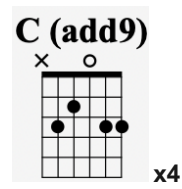

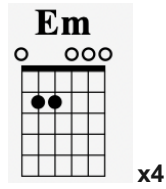

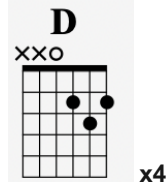

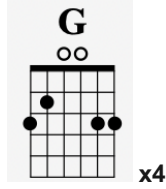

This all or nothing way of lovin' got me sleepin' without you.

I need somebody to

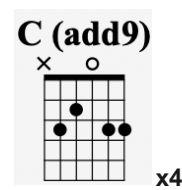

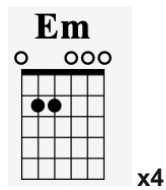

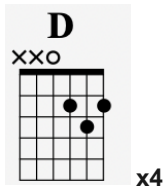

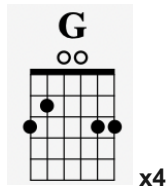

know, somebody to heal, somebody to have, just to know how it feels

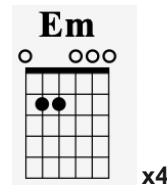

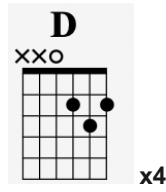

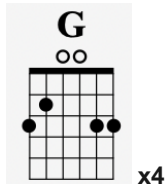

It's easy to say, but it's never the same I guess I kinda liked the way you helped me escape

**[Chorus]**

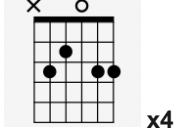

Now the day bleeds into nightfall, and you're not here to get me through it all

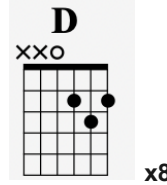

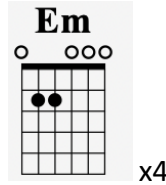

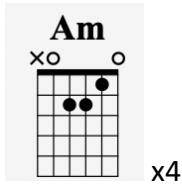

I let my guard down, and then you pulled the rug I was getting kinda used to being someone

**C (add9)**

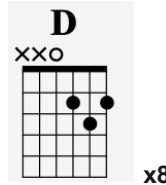

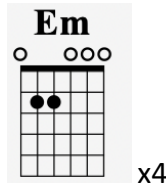

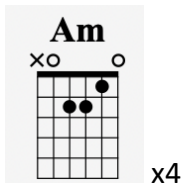

you loved

[Bridge]

And I tend to

close my eyes when it hurts sometimes I fall into your

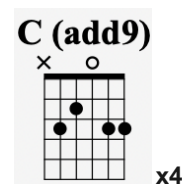

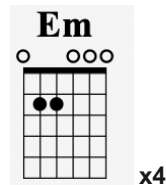

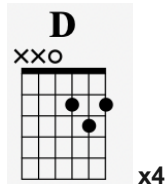

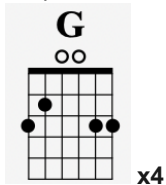

arms I'll be

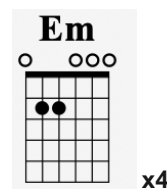

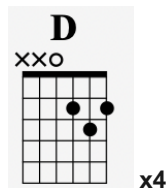

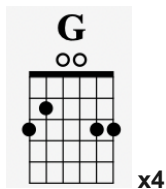

safe in your sound 'til I

come back around

Chorus (Twice)

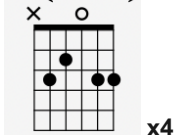

Now the day bleeds into nightfall, and you're not here to get me through it all

I let my guard down, and then you pulled the rug I was getting kinda used to being someone

**C (add9)**

you loved
