

Someone You Loved – Lewis Capaldi

Intro

[Verse 1]

I'm going under and this time I fear there's no one to save me

This all or nothing really got a way of driving me crazy

Pre Chorus

I need somebody to heal, somebody to know, somebody to have, somebody to hold

It's easy to say, but it's never the same, I guess I kinda liked the way you numbed all the pain.

[Chorus]

Now the day bleeds into nightfall, and you're not here to get me through it all
