Verse 1

 Em x2	 C (add9) x2	 G x4
---------------------	---------------------------	--------------------

Feeling my way through the darkness

 Em x2	 C (add9) x2	 G x4
---------------------	---------------------------	--------------------

Guided by a beating heart

 Em x2	 C (add9) x2	 G x4
---------------------	---------------------------	--------------------

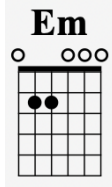

I can't tell where the journey will end

 Em x2	 C (add9) x2	 G x4
---------------------	---------------------------	--------------------

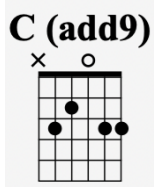

But I know where to start

 Em x2	 C (add9) x2	 G x4
---------------------	---------------------------	--------------------

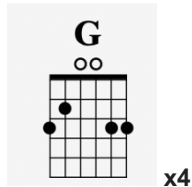

They tell me I'm too young to understand

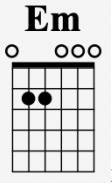

They say I'm

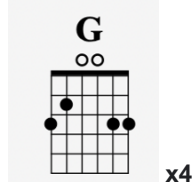

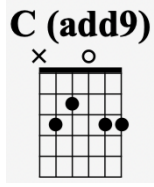

caught up in a

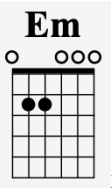

dream

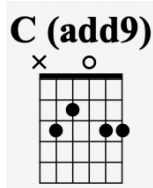

Well life will pass me by if I don't

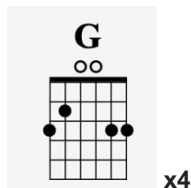

open up my eyes

Well that's

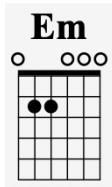

fine by

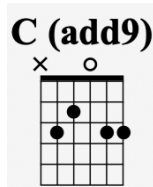

me

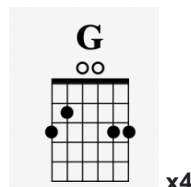

Chorus (Twice)

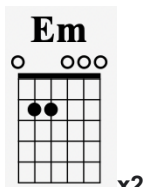

So wake me up when

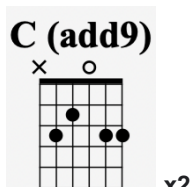

it's all

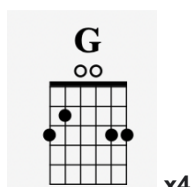

over

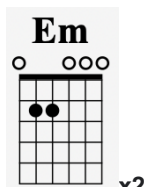

When I'm wiser

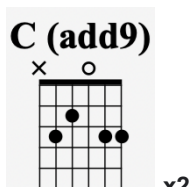

and I'm

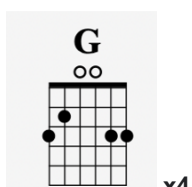

older

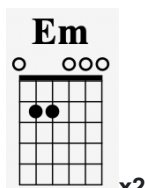

All this time I was

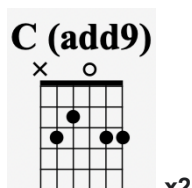

finding

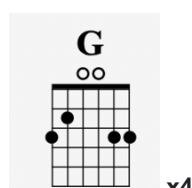

myself, and I

Didn't

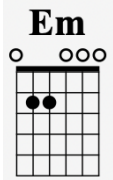

know I was

lost
