Strawberries and somethin' more. Ooh yeah, I want it all

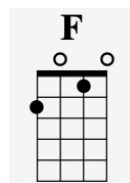

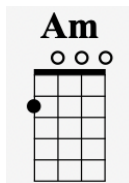

Lipstick on my guitar (ooh) . Fill up the engine, we can drive real far

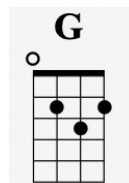

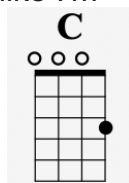

Go dancin' underneath the stars. Ooh yeah, I want it all  
Mm, you got me feelin' like

### Bridge

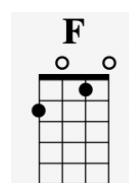

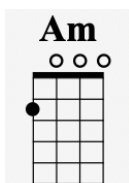

I wanna be that guy, I wanna kiss your eyes, I wanna drink that smile, I wanna feel like I'm

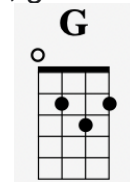

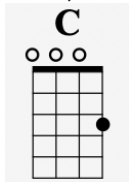

Like my soul's on fire, I wanna stay up all day and all night Yeah, you got me singin' like

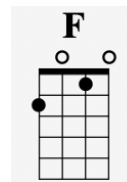

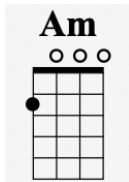

### Chorus

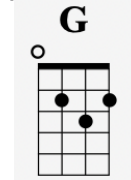

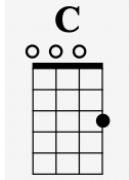

Ooh, I love it when you do it like that, and when you're close up, give me the shivers

Oh baby, you wanna dance 'til the sunlight cracks, and when they say the party's over, then we'll bring it right back And we'll say,

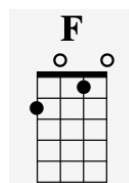

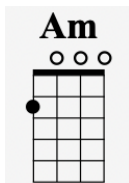

Ooh, I love it when you do it like that, and when you're close up, give me the shivers

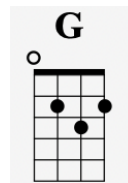

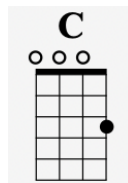

Oh baby, you wanna dance 'til the sunlight cracks, and when they say the party's over, then we'll bring it right back.

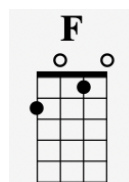

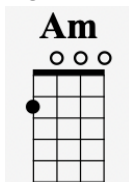

### Verse 2

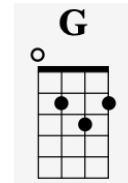

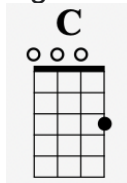

Into the car. On the backseat in the moonlit dark

Wrapped up we are legs and arms. Ooh, I can't get enough. You know you could tear me

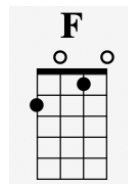

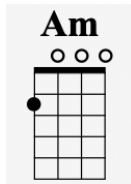

apart (ooh) Put me back together and take my heart

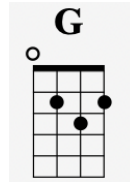

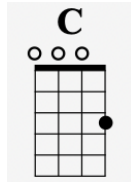

I never thought that I could love this hard Ooh, I can't get enough

### Bridge

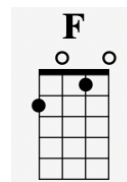

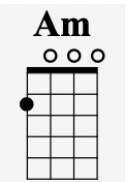

I wanna be that guy, I wanna kiss your eyes, I wanna drink that smile, I wanna feel like I'm

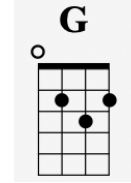

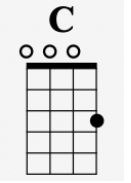

Like my soul's on fire, I wanna stay up all day and all night Yeah, you got me singin' like

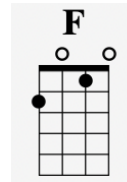

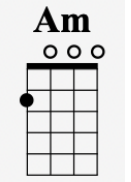

### Chorus

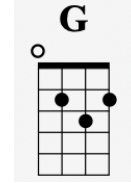

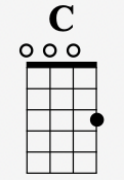

Ooh, I love it when you do it like that, and when you're close up, give me the shivers

Oh baby, you wanna dance 'til the sunlight cracks, and when they say the party's over, then we'll bring it right back And we'll say,

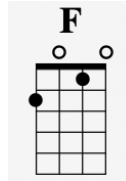

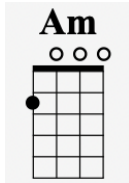

Ooh, I love it when you do it like that, and when you're close up, give me the shivers

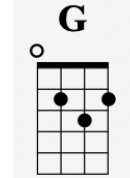

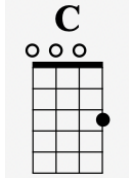

Oh baby, you wanna dance 'til the sunlight cracks, and when they say the party's over, then we'll bring it right back.

### Breakdown

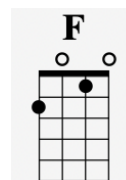

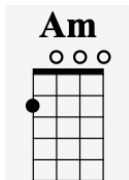

Baby, you burn so hot You make me shiver with the fir-e you got

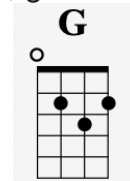

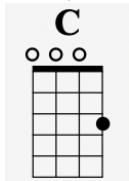

This thing we started, I don't want it to stop You know you make me shiver-er-er.
