

# Everybody Wants To Rule The World

## Riff

### D in the bass

The musical notation shows two systems of guitar tablature and standard notation. The first system starts with an E chord (x21220) and the second system starts with a G chord (232023). The tablature indicates fret numbers for each string.

Chord diagrams for E (x21220) and G (232023) are shown above the lyrics. The lyrics are: "Welcome to your life, There's no turning back" and "There's no turning back Even While we sleep, We will find you".

## Chorus

Chord diagrams for Em (022550), F#m (232023), G (232023), and A (022550) are shown above the lyrics. The lyrics are: "Acting on your best behaviour, Turn your back on mother nature" and "Every- body wants to rule the world".

## Verse 2

It's my own design.

It's my own remorse

Help me to decide. Help me make the

Most of freedom and of pleasure. Nothing ever lasts forever

Every body wants to rule the world

## Bridge

There's a room where the light won't find you

Holding hands while the walls come tumbling down

When they do I'll be right be-hind you

So glad we've almost made it      So sad they had to fade it

Every      body      wants to      rule the world

Riff (twice)

I can't stand this indecision. Married with a lack of vision

Every.      body      wants to rule the

World.Say that you'll never never never never need it

One headline why believe it?

Every.      body      wants to rule the world (Riff)
