[Verse 1]

You were working as a waitress in a cocktail bar, when I met you

I picked you out I shook you up and turned you around turned you into someone new

Now five years later on you've got the world at your feet success has been so easy for you

But don't forget it's me who put you where you are now and I can put you back down too

[Pre-Chorus]

Don't, don't you want me? You know I can't believe it when I hear that you won't see me

Don't, don't you want me? You know I don't believe you when you say that you don't need me

[Chorus]

It's much too late to find, you think you've changed your mind

You better change it back or we will both be sorry

Don't you want me baby,

don't you want me oh ohohoh

Don't you want me baby,

don't you want me oh ohohoh

[Verse 2]

I was working as a waitress in a cocktail bar, that much is true

But even then I knew I'd find a much better place, either with or without you

The five years we have had, have been such good times, I still love you

But now I think it's time I live my life on my own, I guess it's just what I must do

[Pre-Chorus]

Don't, don't you want me? You know I can't believe it when I hear that you won't see me

Don't, don't you want me? You know I don't believe you when you say that you don't need me

[Chorus]

[Chorus]

It's much too late to find, you think you've changed your mind

You better change it back or we will both be sorry

Don't you want me baby, don't you want me oh ohohoh

Don't you want me baby,

don't you want me oh ohohoh
