

Nice To Meet You – Miles Smith

Lonely in this crowd,

I sit alone, oh

One more drink away from heading home, oh

[Pre-Chorus]

Oh,

x4

I could feel the night slipping by Oh,

a-way from

me

And, oh, she caught my eye through the light Then she came right up to me

[Chorus]

N/c

She said,

"Oh, hi, nice to meet you Tonight, maybe we could go dance, get up off our feet"

She said, "This life ain't forever. One song, here together. Then let's play it on repeat"

We could dance, we could dance all night .We could dance till the morning light

Let's forget about our worries and the wild world outside

"Oh, hi, nice to meet you Tonight, maybe we could go dance, get up off our feet"
N.C.
