

The Best Tina Turner

I call you when I need you, my heart's on fire.

You come to me, come to me wild and wired.

When you come to me, Give me everything I need

Give me a lifetime of promises and a world of dreams

Speak the language of love like you know what it means

ohh, it can't be wrong Take my heart and make it stronger baby

[Chorus]

You're simply the best,

Better than all the rest

Better than anyone

anyone I've ever met

I'm stuck on your heart, I hang on every word you say

Tear us apart,

baby I would rather be dead

[Verse]

In your heart I see the stars of every night and every day.

In your eyes I get lost, I get washed away

Just as long as I'm here in your arms I could be in no better place

[Chorus]

You're simply the best,

Better than all the rest

Better than anyone

anyone I've ever met

I'm stuck on your heart, I hang on every word you say

Tear us apart,

baby I would rather be dead

Bridge

Each time you leave me I start losing control You're walking away with my heart and my soul

I can feel you even when I'm alone. Oh baby, don't let go

[Chorus]

You're the best,

better than

all the rest

Better than anyone,

anyone I've ever met

I'm stuck on your heart,

and hang on every word you say

Tear us apart,

baby I would rather be dead

Oh, you're the best...
