Thank you for the days. Those endless days, those sacred days you gave me

And though you're gone. You're with me every single day believe me

[Chorus]

Days I'll

remember all my

life

Days when you

can't see wrong from right

You took my life

But then

I knew that very

soon you'd leave

me

But it's

alright Now

I'm not

frightened

of this

world

believe

me

[Bridge]

I wish today would be tomorrow The night is dark, it just brings sorrow-

let it

rain.

Thank you for the
