Needles and Pins

G

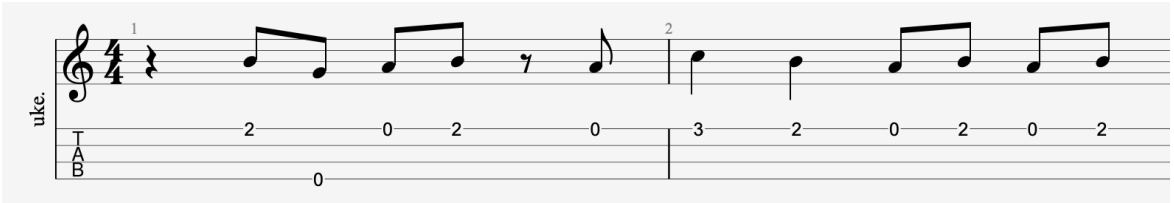
G **Em**
I saw her today, I saw her face It was a face I loved and I knew

G **Em**
I had to run away and get down on my knees and pray, that they'd go away

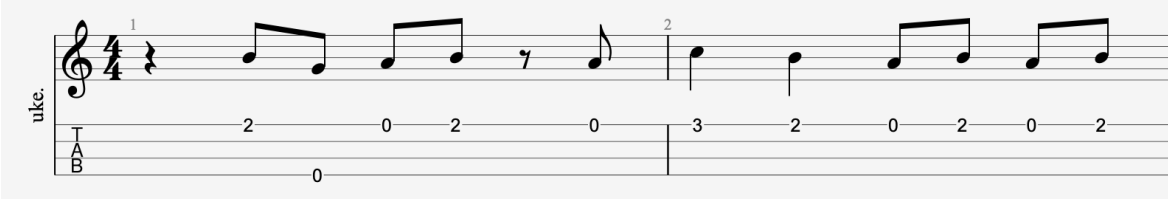
G **Em**
But still they begin, Needles and pins
C **D**
Because of all my pride The tears I gotta hide

Verse 2

G **Em**
Hey, I thought I was smart, I won her heart Didn't think I'd do it, but now I see
G. **Em**
She's worse to him than me Let her go ahead, take his love instead and one day she will see
G
Just how to say please and get down on her

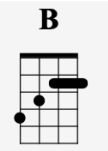


Em
Knees



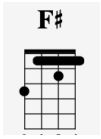
C D

Yeah, that's how it begins She'll feel those needles and pins A-hurtin her, a-hurtin her



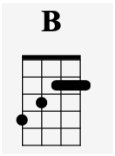
A

Why can't I stop and tell myself I'm wrong, I'm wrong, so wrong

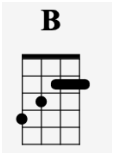


G

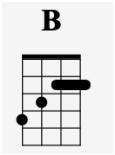
Why can't I stand up and tell myself I'm strong



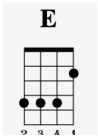
Because I saw her today, I saw her face It was a face I loved and I knew

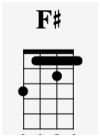


I had to run away and get down on my knees and pray that they'd go away



But still they begin. Needles and pins





Because of all my pride The tears I gotta hide

Ah, needles and pins Needles and pins repeat
